

Substitute Specification

The Examiner has indicated that the specification on file in this application does not reflect the language changed by the Certificate of Correction issued September 7, 1999. The Certificate of Correction was issued to correct the title of the patent. The Applicants submit herewith a substitute specification that includes the title as corrected by the Certificate of Correction.

Based upon the foregoing, the Applicants believe that the reissue application is in condition for issuance and respectfully requests such action. If the Examiner has any questions concerning this response, he is invited to telephone the undersigned at the number provided.

Respectfully submitted,
